FEATURES

Made in Italy

Material: cuoio

Color: red

Tacco Cuoio is made entirely from one piece of leather, folded and hand painted following an ancient technique

Leather tab for opening

Rounded cup to hold coins when open

The item is made from carefully selected fine quality leather Made in Italy, whose exceptional softness and suppleness arises from the type of process applied to the leather. This means that the item may get scratched or scuffed. Apply neutral colour wax with a soft cloth and gently massage it into the leather until fully absorbed. If the leather comes into contact with water, it should be protected and dried immediately with a soft cloth, in order to avoid any slight swelling or stains.
