FEATURES

Designed to bring new energy to S.T. Dupont classics - and to our everyday lives, the pieces in the Fluo collection are inspired by the latest trends in fashion and automotive design. With Fluo, the legendary S.T. Dupont's legendary lacquer takes all the liberty it can, becoming pop and light, for lives that are always on the move, dynamic and whirring. The Grand Dupont is adorned with a diamond-tipped guilloché, a semi-matt black finish with a "silky" feel, and a fluorescent orange trigger. Its dual-flame system features a low first flame for gentle, gradual heating of the cigar, while a powerful torch flame ensures optimal ignition in all circumstances.
